How It Works (It's Simple!)

- 

We deposit money from Medicare into your MSA bank account.
- 

You decide how to spend, save or invest the deposit money.
- 

You pay 100% of Medicare-approved care below the deductible.
- 

We pay 100% of Medicare-approved care after you meet the deductible.
- 

You keep any deposit money remaining at year-end for future use.
